SUMMARY

Entry-level Java Backend Developer and Computer Science undergraduate with hands-on experience in Core Java, Spring Boot, REST APIs, and MySQL. Skilled in building secure and scalable backend applications using Spring Security, JWT, JPA, and Hibernate. Strong foundation in OOP, Data Structures And Algorithms, with a passion for clean code and modern backend development.

PROJECTS

Hospital Management System

[GitHub Link](#)

Java, Spring Boot, Spring Security, JWT, JPA, Hibernate

- Developed RESTful backend services for patient, doctor, and appointment management using Spring Boot.
- Implemented secure authentication and role-based authorization using JWT and OAuth2 with Spring Security.
- Designed a layered architecture (Controller–Service–Repository) and used JPA/Hibernate for efficient ORM and data consistency.

EasyDine – Restaurant Table Reservation & Order Management System

[GitHub Link](#)

Java, Spring Boot, React, MySQL, Hibernate, WebSocket, Jira — Team Size: 4

- Collaborated in a 4-member team to develop a full-stack restaurant management system featuring table reservations, order tracking, billing, and payment processing functionalities.
- Designed and implemented secure RESTful APIs with JWT-based authentication and role-based access control using Spring Boot, Spring Security, and Hibernate.
- Built real-time kitchen order tracking with WebSocket and applied layered architecture (Controller–Service–Repository) to ensure scalability, maintainability, and industry-standard development practices.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science

CGPA: 7.82

Medi-Caps University, Indore

2022 – Present

Class XII (CBSE)

2021 – 2022

Pushpa Convent Higher Secondary School, Agar

SKILLS

Programming Languages: Java (Core Java, OOP, Collections, Multithreading)

Backend Technologies: Spring Boot, Spring Security, REST APIs, JDBC, JPA, Hibernate

Tools & Platforms: GitHub, Postman, IntelliJ IDEA, VS Code

CERTIFICATIONS

AWS Academy Graduate—AWS Academy Cloud Foundations, AWS Academy Cloud Architecting (2025)
HCL Full Stack Development Certification (2026)
